**Reason:**

**Purpose:** The DPA Grant Program was set up to assist Veterans who have an unexpected financial emergency such as medical expenses. The Grant is not designed to support a Veteran who intentionally did not purchase medical insurance or take reasonable care to ensure he can deal with financial emergencies.

**Eligibility:** Veterans Assistance Grant (VAG) is open to all honorably discharged or active duty veterans, not just VFW members. However, they must live in the DPA area. The Post Commander, SVC, JVC, or Post Quartermaster will complete this form verifying that the need of the financial assistance for the Veteran is legitimate. The reason of the VAG must be clearly stated in the "Reason" area. If you require additional space for the Reason, you may attach additional pages.

**VAG Request Form:** The Form will be signed by one of the top three Chairs or the Quartermaster. The DPA will match a Post donation of up to \$500 for a VAG, if approved. After completing the Form, save it by selecting "Save As" from the File dropdown menu. E-mail the completed Form as an attachment along with additional pages or documentation to: [svcdpa@vfwpacific.org](mailto:svcdpa@vfwpacific.org).

**Committee Members:** DPA SVC (Chairman), DPA JVC, DPA QM, DPA COS, Immediate Past DPA CMDR, and the DPA ADJ.
