

From the National Home for Children Chairman:

VFW NATIONAL HOME FOR CHILDREN
Every child deserves a happy family

Comrades,

November is coming up and this report will cover both, October and November. I will also start send reminder emails out to the Post and District that have yet to make this year's Donations to the National Home as a little reminder.

With the virus it seem like everything is slowing down and it would be great if we could get all the District and Post to get this year completed by the December CofA.

Again, I want to put out if you are making the Donation on BEHALF of your District or Post please Mark the donations block as so and send me a copy of the email that you receive from the National Home. If any of District or Post are having any problems with making their donation to the National home please let me know so I can assist you.
