Here is what I have come up with for the Pacific Times Schedule and applicable themes for a VFW year. I have been following these themes since the beginning of the Pacific Times.

July/August issue inputs are due **NLT 30 June** for publishing on 15 July. Theme for the July/August issue is **Legislative Priorities**

September/October inputs are due **NLT 15 August** for publishing on 01 September. Theme for the September/October issue are **Patriots and POW/MIA Days**

November/December issue inputs are due **NLT 15 October** for publishing on 01 November. Theme for the November/December issue are **Veterans and Pearl Harbor Days**

January/February issue inputs are due **NLT 31 December** for publishing on 15 January. Theme for the January/February issue is **Happy New Years**

March/April issue inputs are due **NLT 15 February** for publishing on 01 March. Theme for the March/April issue are **Nominations and Elections**

May/June issue inputs are due **NLT 15 April** for publishing on 01 May. Theme for the May/June issue is **"<INSERT CDR'S THEME>"** or basically a recap of the year's theme from the Commander's Perspective.
