INTRODUCTION

Veterans of Foreign Wars of the United States

A Message to Post Adjutants and Post Quartermasters

The Veterans of Foreign Wars is respected and effective because it is a grassroots organization, built from the bottom up by members demonstrating every day their commitment to their fellow veterans, community and country. The cornerstone and foundation of the Veterans of Foreign Wars are the Post. That is where the energy and impetus for our state and national efforts are generated and where so much of the real work is done. Without the effort by the officers and members at Posts around our great country and the world, little would be accomplished.

The members of your Post have selected you for a very important role in maintaining the continuing effectiveness of the grassroots efforts in your community. You now have the responsibility, and also the opportunity, to reward them for the trust they have placed in you. If you perform your duties well, the members of your Post, as well as the entire community, will benefit.

You have been tasked with advancing the interests of the Post and the purpose of this Manual is to help you understand and perform your important duties in fulfillment of this mandate. It will hopefully be a blueprint you can use to operate efficiently and effectively.

Please always remember that the offices of the Post Adjutant and Post Quartermaster are the most critical in the Post and you will have the personal satisfaction of knowing you have contributed to the success of your Post, Department and the National Organization as the result of your care and attention to detail.

And, certainly, if you have an idea that you think will be better than our present methods, let us hear about it! You do the work. If changes can be made without harm to accepted practices, we want to know about them.

The Post Quartermaster

The Post Quartermaster is the chief financial officer of the Post. The Quartermaster is the custodian of all Post property and the officer responsible for safeguarding Post funds and property. The Quartermaster is accountable to the Post, Department and the National Organization for all of the monies, securities, vouchers and property of the Post. The Quartermaster is the only one authorized under the Bylaws, to receive, handle, and account for funds of the Post. As Quartermaster, you may authorize a person to disburse funds on your behalf; however, they must be bonded. There are no exceptions to this rule!

No committee, holding company, canteen manager, group or individual in the Post or in any way connected with the Post's activities, can take this authority and responsibility from the Post Quartermaster. All funds, monies or property accumulated under the name of the Veterans of Foreign Wars for the Post, regardless of the nature of the activity which accumulates them, are the property of the Post and are subject only to disposition by Post action. No Post member can mandate the expenditure of funds or disposition of Post property unless properly authorized by the Post and executed by the Quartermaster or the Quartermaster's authorized person.

Qualifications of a Post Quartermaster

A major factor in the success or failure of a Post is the ability and efficiency of the Quartermaster.

The National Bylaws are more explicit on the duties of the Post Quartermaster than those for any other office. The Quartermaster is the custodian of the money and property of the Post, the guardian of its finances and the keeper of the financial records. The Quartermaster also plays an important role in collecting and processing dues.

The Quartermaster is meant to be, and must be, more than a bookkeeper, although maintaining adequate financial records is very important. The Quartermaster generally knows more about the Post than any other individual and MUST BE dependable, honest and capable.

In Post meetings, the Chaplain prays that we may "live lives of stainless integrity." This petition applies to all Post Officers, but especially the Post Quartermaster. You must keep an accurate account of your stewardship. You must be everything the finest VFW character should be and with it all . . . be the hardest worker in the Post.

3.

Duties of the Post Quartermaster

The duties of the Quartermaster are set forth in Section 218 (a) (5) of the Manual of Procedure.

Among the duties of a Post Quartermaster, the Quartermaster shall:

- a) Qualify and secure a bond in a sum at least equal to the amount of the liquid assets for which they may be accountable in accordance with Section 703.
- b) Collect all monies due the Post, giving receipt therefore, and have charge of the funds, securities and other property of the Post, all of which shall be placed in their care. They shall be the accountable officer of the Post and the Treasurer of all committees handling funds.
- c) Disburse funds as properly authorized by the Post using accepted banking practices. Unless otherwise provided for in Post Bylaws, all disbursements of Post funds shall bear the signature of the Quartermaster or other person(s) authorized by the Quartermaster. Such other authorized person(s) shall be bonded with an indemnity company as surety in a sum at least equal to the amount of the liquid assets for which they may be accountable in accordance with Section 703.
- d) Receive annual membership dues (admission fees if applicable) and Life membership fees and forward the Department and National dues and Life membership fees immediately to National Headquarters as prescribed in Section 104.
- e) Provide the Post Trustees with all records, files and statements required or necessary for the preparation of the Post Trustees Quarterly Report of Audit.
- f) Maintain a relief fund as prescribed in Section 704 of the Bylaws and Manual of Procedure.
- g) Reconcile and verify all transactions listed on all bank statements to assure the accuracy of Post records. The books and records of the Quartermaster shall be maintained in a legible and uniform format. Record keeping by electronic means may be used, provided a back-up is maintained. Books and records shall be available for inspection by authorized officers and Post members at all reasonable times. Unless specifically authorized by the Post to remove such books and records from its facilities, they will be kept at the Post facilities.
- h) Provide access and transfer to their successor in office or anyone designated by higher authority, without delay, all books, records, papers, monies, securities and other property of the Post in their possession or under their control.
- i) Comply with, and perform all duties required of them by the laws and usages of this organization, applicable Bylaws and orders from lawful authority and perform such other duties as are incident to such office.
- j) Report on transactions concerning receipts and expenditures, for any given period, at a regular or special meeting of the Post.
- k) File appropriate forms as required by Federal, State and Local Statutes or regulations.

Control of Clubroom Funds

Any activity, clubroom, holding company or unit sponsored, conducted or operated by, for or on behalf of a Post, County Council, District or Department shall be at all times under the direct control of such Post, County Council, District or Department and all funds derived there from shall be at all times under the direct control of such Post, County Council, District or Department.

All money, property or assets of any kind or nature, as well as all books and records, owned, held or used by any activity, clubroom, holding company or unit sponsored, conducted or operated by, for or in behalf of a Post, County Council, District or Department shall be the property of such Post, County Council, District or Department and must be placed in the care and custody of the respective Quartermaster. Such money, property, assets, books and records shall be subject to the same rules and under the same procedure as any other Post, County Council, District or Department money, property, assets, books and records.

Title to all real property of unincorporated Posts, County Councils and Districts shall be taken in the name of the regularly elected Trustees of said units, and their successors in office, to be held, used and enjoyed in trust for its members. When the laws of the respective states shall require the delivery of a bill of sale to establish ownership of property, such bills of sale shall also be made to the Trustees of said units, and their successors in office, in trust for the members thereof.

In addition to other legal requirements under existing local laws or Department Bylaws, no Post, County Council, District, or any holding company or corporation subordinate thereto, shall purchase, sell or otherwise transfer title or any interest in any real estate unless written notice of such proposal has first been given to each member of said unit ten (10) days prior to such regular or special meeting at which the proposal is to be considered, and then only by two-thirds (2/3) vote of approval of those members present and voting at such regular or special meeting. In addition, at least thirty (30) days prior to such meeting, notice shall be provided to the Department Commander who shall review any sale, purchase, transfer or encumbrance to determine whether such transaction serves the purposes of the Veterans of Foreign Wars of the United States as prescribed in the Congressional Charter. Failure to comply with these provisions shall nullify said transaction.

When properly approved by the members of the Post, the Commander and Quartermaster shall be authorized to sign such legal documents required to sell or purchase real property.

Insurance

Any Post owning and/or operating, directly or by reason of a holding company or other entity substantially controlled by the Post or its members, a canteen, clubroom or other facility available to members or guests must maintain general liability insurance, including, if necessary or appropriate, liquor liability insurance. Such insurance must be of a type and amount sufficient to protect the Post and must name, as additional insureds, the Veterans of Foreign Wars of the United States and the Department in which such Post is located.

Taking Over as Quartermaster

Before a new Post Quartermaster takes up the duties, the previous Quartermaster must be given a "clean slate" by the Post Trustees or auditors. Never, under any circumstances, accept the responsibility for Post funds before this is done. You want to avoid picking up a headache from someone else. Remember, you are bonded, and, once you take over officially, you will be the person "in the middle" if the deck has not been cleared beforehand.

Before you undertake any business as the new Post Quartermaster, check with the bank in which Post funds are deposited to satisfy yourself the funds are correct and in order. Be sure that proper signature cards are on file with the bank with specimen signatures of all persons authorized to make and endorse checks on behalf of the Post. When new officers are elected the new signatures must be provided to the bank.

You should deposit money and draw checks for disbursements for authorized Post expenses. A Quartermaster should make deposits at regular intervals, rather than letting checks and money accumulate. Get them in the bank as soon as possible. In making deposits it is a better practice to put what you have received into the bank in the same physical form in which you received it. Coins and bills should be deposited as such and checks and negotiable paper must be deposited in the same manner. By putting your receipts in the bank in the same form in which they appear in your ledger, the deposit slips can be easily checked against your ledger for verification and errors can be more easily located. No checks or other negotiable paper received by the Post Quartermaster should be endorsed to a third party or cashed. They should be deposited to the Post account. No bills should be paid in cash. All disbursements should be by check only. This assures an adequate, accurate record.

Clear & Accessible Records

Financial record keeping should include complete and clear documentation of all financial transactions. It cannot be reiterated enough the importance of being prudent in the financial record keeping of your Post, as it can determine the survival or failure of the Post. Every financial transaction must be documented, so it can be easily traced in the event of an audit or inquiry.

Authority to Disburse

A Quartermaster may NOT disburse the funds of the Post without receiving proper authority from that Post by action on the floor at a regular or special meeting and the approval of the Post Commander. The Uniform System of Records and Accounts provides for a voucher which must be used. This simply means an approved paper voucher/order must be made for presentation to the Post for consideration of payment. Bills are presented to the Post for action before they are paid, except where circumstances do not permit a prior presentation. The bills must be clearly explained and in detail so every Post member will know the situation when called upon to vote. When the Post votes approval, the Post Adjutant prepares the voucher/order, has it properly signed by the person so designated and presents it to the Post Quartermaster for payment. Unless this is done, the Quartermaster is without authority to pay. When approved by the Post and properly signed by the Post Commander, it is the authority for the Post Quartermaster to disburse funds in the amount designated on that voucher/order.

The returned check properly endorsed is proof the money has been paid. In this manner, the Quartermaster has authority to pay and also proof that payment has been made. Vouchers/Orders must be carefully and permanently filed, and cashed checks accounted for properly, audited and filed for future reference, with correct notations in your books. This is what is known as a clear record and, as a good Quartermaster, you should never operate any other way.

Vouchers/Orders

The initial voucher/order must be self-explanatory and show clearly to whom the money is to be paid, how much is to be paid and for what, set forth in detail. It must also carry the correct signatures as required by the Bylaws and the Post. If the payment is reimbursement for expenditures already made, the voucher/order must be supported by the receipted bills made in detail. If it is for a bill being presented for payment, the itemized bill must accompany the voucher/order and remain a part of that voucher/order in the permanent file.

Always keep this in mind. You can never have too much proof for the proper receipt and disbursement of funds, because doubt can attach to any person, despite a record of probity and honesty. A Quartermaster may, with or without cause, be called upon at any time to account for stewardship. Never honor a voucher marked "miscellaneous expense." If such expense cannot be detailed and itemized for Post approval, you are not required to make that disbursement.

· 7·

Financial Report

The Post Quartermaster makes a report to the Post on its finances at each meeting. This report is taken directly from the records. It is made out on Financial Statement Form (Form #4208) and it must be accurate and current.

Action on the Quartermaster's Report

All financial transactions and the final action of the Post must be recorded in the minutes by the Post Adjutant. The Post Quartermaster should insist action be taken by the Post to accept (or accept, subject to change or audit) the Quartermaster's report, and should see to it that it is recorded in the minutes. This is important because it is the Post's official record showing the Quartermaster has brought the report before the Post. Keep in mind, Comrade Quartermaster, you are bonded and should a discrepancy appear which needs action by the bonding company, the records will be called for to see if the Post has exercised due care and diligence in protecting the bonding company from improper practices and fund handling. Suggested motions:

- a) If the Quartermaster records have been audited by the Post Trustees: "Comrade Commander, I move to accept the Quartermaster's report as presented."
- b) The Quartermaster records have not been audited by the Post Trustees: "Comrade Commander, I move to accept the Quartermaster's report subject to audit."

Bonds

All Posts are required by the Bylaws (Section 703) to have each officer accountable for funds or property bonded in a sum at least equal to the amount of the liquid assets for which, so far as can be anticipated, the Quartermaster may be accountable. Failure to comply with this provision of the Bylaws is a dangerous practice because the Post will be without the protection a bond affords. A bond is like fire insurance, you hope you never need it but, if you do and do not have it, you could have serious financial problems.

Many Departments have arrangements with a bonding company. If you are unsure of the status of bonding for your Post or whether state arrangements have been made, please contact your Department Headquarters for advice and information.

Most insurers issue what are called schedule bonds, meaning the office is bonded, not the individual. Of course, the individual must be legally holding office to be covered, but the bond does not change nor is it invalidated by a change of Quartermaster during the bond period.

8.

Bonds do not cover money lost through burglary, careless handling, losing it, mysterious disappearance or mismanagement.

The bond does not take the place of insurance in any way. It pays only for loss due to fraud or dishonest acts of the person bonded.

All bonding companies require reasonable care on the part of the insured. Regular audits and controls on the individual are presumed to be part of the agreement. Experience reveals that defalcation occurs when the Trustees do not conduct regular audits and do not take the precaution of obtaining an occasional monthly statement direct from the bank or fail to verify the books against the records. The Post Quartermaster should not prepare the quarterly audit for the Trustees because it could result in a contested claim on the grounds that the audits were not conducted by the Trustees. To protect the Post, the Trustees must play an active part in the auditing procedure.

A bond is one of those things that isn't reviewed until there is trouble, and then it can be too late. Be sure the bond is large enough to provide full protection. Learn the limits and conditions of bond coverage, so that there won't be any surprises.

9.

Document Retention

The following list has been compiled in response to requests from Posts that have asked how long to retain certain files and records. Please keep in mind that this list does not have the effect of law, and a judicious amount of common sense should be used when applying it to your Post.

Note 1: Membership applications should be retained as a permanent record to aid in establishing length of membership, original eligibility, and other items of historical value.

Note 2: In some instances, it may be advisable to retain the minutes of Post meetings when those minutes contain policy decisions. Normally, however, those policy decisions would have been incorporated into the Post Bylaws, and the minutes would only be of minor historical significance.

Note 3: Monthly Quartermaster reports usually prove to be "dead files" once the quarterly and annual audit reports are completed. However, it is recommended that they be retained for a period of five years, should a detailed reconstruction of the Post's financial situation be required by an auditor or the IRS.

Obviously, the foregoing list is not all-encompassing, nor is it intended to be. A good rule of thumb in determining what files and records to keep is that if the file or record has no financial or historical significance, then it is probably time to dispose of it.

Statement of Policy Operation, Management & Control of Clubs and/or Canteens

The operation, management and control of clubs and/or canteens were not envisioned in the purposes of our organization as described above both in our Congressional Charter, National Bylaws, Manual of Procedure and Ritual. The first and foremost consideration of Posts shall be to the objects of the VFW listed above. VFW clubs and/or canteens should be of secondary interest and concern and compatible with our stated purposes.

Some state departments have adopted or recommended rules and regulations or management guides for the operation of Post-sponsored clubs and/or canteens in compliance with state and local regulations and the applicable provisions of Sections 708 and 709 of the National Bylaws, which address incorporation and control of units. Also, many Posts have incorporated those rules and regulations or guides in their Bylaws or adopted rules and regulations for the operation, management and control of their canteens and/or clubs in accordance with them.

Differing laws at the state and local levels preclude the promulgation of universally accepted rules and regulations. The operation, management and control of any club or canteen, or any other facility operated by a Post, is wholly within the authority of the Post. It is the Post's responsibility to see that its club, canteen or other facility is operated in a way that benefits its members and does not harm the reputation of the Post and those members.

In adopting rules and regulations for the operation, management and control of clubs and/or canteens, Posts must adhere to the following PROVISIONS of Section 709 of the National Bylaws:

ANY ACTIVITY, CLUBROOM, HOLDING COMPANY OR UNIT SPONSORED, CONDUCTED OR OPERATED BY, FOR OR IN BEHALF OF A POST, INCORPORATED SEPARATELY FROM THE POST OR UNINCORPORATED, SHALL BE AT ALL TIMES UNDER THE DIRECT CONTROL OF THE POST AND ALL FUNDS DERIVED THEREFROM SHALL BE AT ALL TIMES UNDER THE DIRECT CONTROL OF THE POST.

ALL MONEY, PROPERTY OR ASSETS OF EVERY KIND AND NATURE, AS WELL AS ALL BOOKS AND RECORDS OWNED, HELD OR USED, BY ANY SUCH ACTIVITY, CLUBROOM, HOLDING COMPANY OR UNIT SPONSORED, CONDUCTED OR OPERATED BY, FOR OR IN BEHALF OF A POST SHALL BE THE PROPERTY OF THE POST AND MUST BE PLACED IN THE CARE AND CUSTODY OF THE POST QUARTERMASTER.

NO POST AND NO ACTIVITY, CLUBROOM OR HOLDING COMPANY OR UNIT SPONSORED, CONDUCTED OR OPERATED BY, FOR OR ON BEHALF OF ANY POST MAY OWN ANY PROPERTY JOINTLY OR IN COMMON WITH ANY INDIVIDUAL, FIRM, PARTNERSHIP, ASSOCIATION, CORPORATION OR OTHER BUSINESS OR

CHARITABLE ENTITY, EXCEPT THAT PROPERTY MAY BE HELD JOINTLY OR IN COMMON A POST OR UNIT OF A CONGRESSIONALLY CHARTERED VETERANS ORGANIZATION, PROVIDED THE ARRANGEMENT ALLOWS FOR THE PROMINENT DISPLAY OF THE NAMES, TRADEMARKS, OR SERVICE MARKS OF THE VETERANS OF FOREIGN WARS OF THE UNITED STATES AND IS NOT CONTRARY TO ANY PROVISION OF LAW OR THESE BYLAWS.

NO POST OR ACTIVITY, CLUBROOM, HOLDING COMPANY OR UNIT SPONSORED, CONDUCTED OR OPERATED BY, FOR OR IN ITS BEHALF, MAY PARTICIPATE IN ANY ARRANGEMENT WHEREBY ITS FUNDS ARE EXPENDED ON PROPERTY HELD BY ANOTHER ENTITY FOR THE JOINT USE OF SUCH POST AND OTHER INDIVIDUALS, FIRMS, PARTNERSHIPS, ASSOCIATIONS, CORPORATIONS OR OTHER BUSINESS OR CHARITABLE ENTITIES, INCLUDING VETERANS ORGANIZATIONS, EXCEPT THAT SUCH ARRANGEMENT MAY BE MADE WITH A POST OR UNIT OF A CONGRESSIONAL CHARTERED VETERANS ORGANIZATION, PROVIDED THE ARRANGEMENT ALLOWS FOR THE PROMINENT DISPLAY OF THE NAMES, TRADEMARKS, OR SERVICE MARKS OF THE VETERANS OF FOREIGN WARS OF THE UNITED STATES NOR IS CONTRARY TO ANY PROVISION OF LAW OR THESE BYLAWS.

"Buddy" Poppy

Every Post should participate in the Buddy Poppy program at least once a year, even if your Post has NEVER distributed poppies. You will not fulfill your duty and responsibility as Post Quartermaster unless you assist your Commander in conducting a Buddy Poppy program during your respective terms in office.

Where to Order Buddy Poppies

All Buddy Poppies and allied materials, advertising, promotional and worker's supplies are obtained by the Post through its own Department (state) Headquarters. If you have not received order forms and a list of available material and prices, contact your Department Quartermaster.

IT IS SUGGESTED THAT ALL ORDERS BE PLACED WITH YOUR DEPARTMENT HEADQUARTERS 6-8 WEEKS PRIOR TO ANTICIPATED PROGRAM DATE.

How Many Buddy Poppies to Order

When placing your order for Buddy Poppies, plan for "the best possible campaign" and requisition an additional five hundred (500). Additional poppies will be required during the year for remembrances, displays, table decorations and many other uses. The total distribution will depend upon the number of recruited workers. Don't forget to take into account any requirements for the All State Commander contests.

What the Buddy Poppy Program Means to the VFW

The purchase price paid for Buddy Poppies by your Post includes many items in addition to the cost of the poppy itself. Since the program varies in different Departments, exact figures cannot be given for each state. The amounts shown below reflect the minimum distributed to each for every 1,000 Buddy Poppies distributed:

\$10.00 to the VFW National Rehabilitation Service

\$10.00 to the VFW National Home, Eaton Rapids, Michigan

\$15.00 to your own Department Rehabilitation Service

How to Use Buddy Poppy Proceeds

Your Post proceeds must be used for "the assistance of needy veterans and members of the Armed Forces and their dependents, surviving spouses and orphans." No Buddy Poppy funds can be used for any other purpose. Net proceeds must be put in the Post Relief Fund. Adherence is mandatory as provided in Section 219, VFW, the Manual of Procedure states:

The Quartermaster of the Post will be the custodian of the relief fund and will expend monies there from, as directed by the Post, for the following purposes:

- Aid, assistance, relief, and comfort of needy or disabled veterans or members of the Armed Forces and their dependents, and the surviving spouses and orphans of deceased veterans.
- b) Maintenance and expansion of the VFW National Home for Children and other facilities devoted exclusively to the benefit and welfare of the dependents, surviving spouse, and orphans of disabled, needy or deceased veterans or members of the Armed Forces.
- c) Necessary expenses in providing entertainment, care, and assistance to hospitalized veterans or members of the Armed Forces.
- d) Veterans rehabilitation, welfare and service work.
- e) To perpetuate the memory of deceased veterans and members of the Armed Forces and to comfort their survivors.
- f) To foster true patriotism through historical and educational programs.
- g) Remission of dues of sick, needy or disabled members.
- h) Necessary expenses to support the relief fund such as the purchase of Buddy Poppies.

Relief funds may be invested in approved securities but shall not be loaned to the Post or other units, or transferred from the relief fund in any manner or under any guise, except that relief funds may be transferred to the general fund for remission of dues of sick, needy or disabled members.

Benefit Information

All new and reinstated members recruited during this year will receive member benefit information once their dues have been received at National Headquarters. If you need additional member benefit information, please visit wfw.org/join/member-benefits.

Your help in publicizing VFW Member Benefits will help the Veterans of Foreign Wars have another successful membership year.

Important Note: VFW members in good standing are insured under the \$1,000/\$1,500 Personal Accident Plan (benefits reduce at ages 70 and 75). Benefits are payable in the event of a covered accidental death or dismemberment. Accidental loss of life payment is payable to the estate of the insured member, unless a beneficiary designation form is on file at the insurance company.

Financial Reporting

The Uniform System of Post Records and Accounts is a system that has been in use for many years by many VFW Posts with exceptional results. This system is the preferred method of record keeping; however, as technology continues to develop, many VFW Post are transitioning electronic-based methods utilizing differing types of accounting software.

Quartermasters utilizing these methods must ensure that the basic principles of the Uniform System of Post Records and Accounts are not lost and that all electronic records are routinely backed-up.

Uniform System Ledger of Post Records & Accounts

The Receipts, Expenditure and Distribution Ledger (Item #4204); better known as the Post Ledger or Quartermaster's Ledger, is the most important financial record of the Post. It provides a means of maintaining uniform records of the financial transactions of the Post. When properly used, it is simple to maintain. It provides an easily understood record of the Post's financial condition and enables quick and accurate audits of the Post funds. The balance shown in the ledger at the end of the month must be in agreement with the bank statement(s), checkbook(s) and with the receipt book and vouchers/orders.

The ledger contains various rows and columns for specific entry; each row represents a specific transaction and explains the when, who, why, how of each receipt and disbursement. It further explains, in detail, how each is distributed throughout the Post's funds.

The first four column headings of our ledger are:

DATE: Represents the day and month the transaction was entered.

FROM OR TO: Represents the individual, group, or corporation to which the transaction is associated with.

REASON: Represents the transactions purpose such as donation, mortgage, or member dues.

RECEIPT OR CHECK NO.: Represents how the transaction was sent or received. This may be a check number, transaction number, receipt number.

The next column heading of the ledger is **CASH AND BANK** and has a subheading of **RECEIVED** and **EXPENDED**. **CASH AND BANK** represents the amount of the transaction. Thus the total amount received is entered in the **RECEIVED** portion of the **CASH AND BANK** column and the total amount expended is entered in the **EXPENDED** portion of the **CASH AND BANK** column.

2.

The next column headings of our ledger contain NATIONAL AND DEPARTMENT DUES, APPLICATION FEES, and POST GENERAL FUND, and POST DUES RESERVE FUND* (additional blank columns exist to allow for extra funds as required). These columns represent how transactions listed in the CASH AND BANK column are distributed between Post funds. Each heading is again separated into two columns titled RECEIVED and EXPENDED and are recorded as appropriate.

Each column is totaled at the bottom of the page, showing the amounts of all receipts and expenditures and the funds balance (net). This allows for the Quartermaster, at a regular Post meeting, to give a no frills financial report.

*Note: The Post Dues Reserve Fund is no longer required; however, as many Posts still utilize this fund it has been retained on the ledger form.

The illustration of the ledger (example 1) will give you a general knowledge in making entries. The entries on the illustrated ledger are the most common ones used by the majority of Posts. Larger Posts or those with club facilities may have many more entries. The ledger should be balanced at the end of each page and at the end of the month. This will assist the Post Trustees in auditing the books.

- 1. Top line shows amount of cash in the bank brought over from the previous month and the breakdown of the money into different funds. Entries in the left columns (date) is self-explanatory. The next two columns require that the Quartermaster show from whom the money was received or to whom money was paid and the reason it was received or paid.
- 2. Dues receipts often cause problems for a new Quartermaster. The full amount for National and Department dues is entered under this heading. The National Bylaws state that not less than one-half of the Post's part of the dues will be placed in the Dues Reserve Fund, and that no expenditures will be paid from this fund. The Dues Reserve Fund will be transferred to the General Fund on July 1.
- 3. The Ledger sheet is closed out at the end of each month. This is done by adding each column and entering the figure at the end of each column. Subtracting expenditures in each fund from the received column will provide the net in each fund. The total of the net figures in each fund should be the same figure as shown in the **CASH AND BANK** column.
- 4. If the figure shown under **CASH AND BANK** is the same as shown in your checkbook stub and the bank statement, your books are in order.

It is important that the Post Quartermaster's records are neat and in order at all times, and that all bills and receipts are filed by month. It is also advisable if the Post uses a large checkbook, that the returned cashed checks be attached in the checkbook to the corresponding check stub.

Monthly Financial Statement Quartermaster's Detail of Receipts & Disbursements

(Example 3)

The Detail of Receipts and Disbursements (Item #4208) is not intended to replace the Receipts, Expenditure and Distribution Ledger. It is a form designed to assist Post Quartermasters in the listing of Receipts and Disbursements between and during Post meetings for the purpose of providing Post Trustees and the Post Adjutant with a continuous record of the financial operation of the Post.

All receipts and disbursements must be itemized in detail. Once completed the original (and copies) must be turned over to the Post Trustees for examination and audit. The Post Trustees:

- Must ascertain if all receipts and disbursements have been properly listed and that properly approved vouchers/orders are in evidence to cover and authorize all disbursements.
- 2. Ensure all checks are properly signed (countersigned by the Post Commander if required by the Post Bylaws.)
- 3. Must satisfy themselves that the receipts of the previous meeting have been properly deposited in the bank by examining the bank receipted deposit slip.
- 4. Upon examination and audit of the statement, if found to be correct, they should so certify by placing their signatures thereon.

Distribution of this form is as follows: The triplicate or yellow copy should be given to the Post Adjutant so the information appearing thereon may be included in the minutes of the meeting. The original or white copy should be returned to the Post Quartermaster in exchange for the duplicate or blue copy. The duplicate or blue copy should be retained by the Trustees to verify and assist them in their quarterly audit of the Quartermaster's books.

Section 218 of the Manual of Procedure mandates Post Trustees to make quarterly audits of certain records and to submit proper reports thereof. Any negligence on their part in complying will make them (Trustees) individually and collectively liable for any loss the Post may suffer. Although the Trustees may not actually misuse Post funds, they do become, in case of loss, accessory to the act by reason of not performing their duties as prescribed by law and in accordance with their obligation. Keep in mind that bonding company liability is contingent with the compliance of VFW Bylaws by Post officers.

More efficient, capable and loyal Post Trustees will reduce the number of claims to the bonding company.

An honest, accountable officer never has to be forced to render a report and always welcomes an inspection of his records.

Example 3

Authority to Disburse

A Quartermaster may NOT disburse the funds of the Post without receiving proper authority from that Post by action on the floor at a regular or special meeting and the approval of the Post Commander. The Uniform System of Records and Accounts provides for a voucher which must be used. This simply means an approved paper voucher/order must be made for presentation to the Post for consideration of payment. Bills are presented to the Post for action before they are paid, except where circumstances do not permit a prior presentation. The bills must be clearly explained and in detail so every Post member will know the situation when called upon to vote. When the Post votes approval, the Post Adjutant prepares the voucher/order, has it properly signed by the person so designated and presents it to the Post Quartermaster for payment. Unless this is done, the Quartermaster is without authority to pay. When approved by the Post and properly signed by the Post Commander, it is the authority for the Post Quartermaster to disburse funds in the amount designated on that voucher/order.

The returned check properly endorsed is proof the money has been paid. In this manner, the Quartermaster has authority to pay and also proof that payment has been made. Vouchers/Orders must be carefully and permanently filed, and cashed checks accounted for properly, audited and filed for future reference, with correct notations in your books. This is what is known as a clear record and, as a good Quartermaster, you should never operate any other way.

Vouchers/Orders

The initial voucher/order must be self-explanatory and show clearly to whom the money is to be paid, how much is to be paid and for what, set forth in detail. It must also carry the correct signatures as required by the Bylaws and the Post. If the payment is reimbursement for expenditures already made, the voucher/order must be supported by the receipted bills made in detail. If it is for a bill being presented for payment, the itemized bill must accompany the voucher/order and remain a part of that voucher/order in the permanent file.

Always keep this in mind. You can never have too much proof for the proper receipt and disbursement of funds, because doubt can attach to any person, despite a record of probity and honesty. A Quartermaster may, with or without cause, be called upon at any time to account for stewardship. Never honor a voucher marked "miscellaneous expense." If such expense cannot be detailed and itemized for Post approval, you are not required to make that disbursement.

The VFW Draft Book (Item #4211) is a great way to control the voucher and payment order process.

Post Trustees' Report of Audit

The preparation and completion of the Post Trustees' Report of Audit (Item #4214) at the end of each quarter is the duty and responsibility of the Post Trustees. In those instances, where, upon recommendation of the Post Trustees and authorization by the Post, qualified accountants are engaged to perform the quarterly audit, it continues to be the duty and responsibility of the Post Trustees to submit the Post Trustees' Report of Audit as set forth in the Bylaws. As Quartermaster you must insist on its completion.

Federal Tax Information Income Tax Issues for Exempt Organizations

As long as there have been federal income taxes, there have been organizations that Congress has exempted from those taxes. Congress decided that the work of some organizations was so important it wanted them to keep their funds for their work, rather than paying part to the federal government. Many Posts erroneously assume that, because they are a VFW Post and are non-profit, they are automatically exempt from federal taxes. That is not the case. The IRS has established some specific procedures for obtaining and maintaining exempt status, and that procedure must be followed.

Congress established several categories of organizations that are exempt from federal income taxes. Those categories are usually referred to by the sections of the **Internal Revenue Code** (**IRC**) that grant tax exempt status. The more common ones are:

```
*Section 501(c)(3): charitable, educational, and religious organizations;
```

Veterans of Foreign Wars National Headquarters has obtained its exemption under a special veterans service organization provision, Section 501(c)(19). The National Headquarters exemption does not cover other units. In most cases, the Department Headquarters has obtained a "group exemption" (discussed below) that covers Posts in the Department.

If your Post is not covered under a Group Exemption and has not applied for and been granted a separate exemption, you are urged to do so. To obtain a separate exemption, a Post must file an IRS Form 1024. A Form 1024 can be obtained by downloading from the IRS website at irs.gov. VFW Posts should be eligible for exemption under section 501(c)(19), provided they have properly requested this exemption. Exemption under Section 501(c)(19) offers the most flexibility, because the exemption offers the broadest exempt purposes. Section 501(c)(19) status may be the only exemption available if your Post operates a canteen. It is highly recommended that you seek exemption under 501(c)(19). To obtain additional information concerning procuring and maintaining tax exempt status for your Post, review IRS Publication 557, "Tax Exempt Status for Your Organization", or contact your local Internal Revenue Service office. It is also strongly recommended that you consult with an accountant, attorney or other tax professional for advice concerning the appropriate exemption and compliance with IRS requirements.

^{*}Section 501(c)(4): social welfare organizations;

^{*}Section 501(c)(7): social clubs.

Group ("Blanket") Exemptions

You should check with your Department Headquarters to see if it has been issued a group exemption letter that covers your Post. If it has, you are not required to file a separate application for exemption on Form 1024 unless your Post no longer wants to be included in the group exemption letter or is no longer eligible for exemption under the statutory section upon which the group exemption was issued. In addition, a Post that fails to file form 990 for three consecutive years will have its tax exemption revoked by the IRS. If this occurs, the Post can no longer be covered under a group exemption and must individually file Form 1024 to reapply for tax exemption. However, to be included in a group exemption, each Post must authorize the Department Headquarters to include it in the group. The authorization must be signed by a duly authorized officer of the Post and retained by the Department Headquarters for which the group exemption is in effect.

To maintain a group exemption, the Department Headquarters must submit annually to the Internal Revenue Center with which it files its information returns the following information:

- 1) Data regarding all changes in purpose, character or method of operation of the Posts included in the group exemption:
- 2) Lists of the Posts fitting the following three categories:
 - a) Posts that have changed their names or addresses during the year,
 - b) Posts no longer to be included in the group exemption, and
 - c) Posts to be added to the group exemption because they are newly formed or because they have recently authorized the Department Headquarters to include them.
- 3) Information required to be submitted by the Department Headquarters on behalf of Posts to be included in the initial group exemption is required for the new Posts to be added to the exemption.

Submission of this information does not relieve the Department Headquarters or any Posts from supplying any additional information which the IRS requires in order to determine whether the conditions for continuing the exemption are being met. Additionally, inclusion in a group exemption does not relieve the Post of any obligation it has to file income and payroll tax returns or pay taxes. Most Departments have obtained a group exemption under Section 501(c)(19). As the result of some recent IRS recommendations, those Departments that have group exemptions under Section 501(c)(4) are in the process of submitting applications for group exemption under Section 501(c)(19). You may be asked to provide information to support that application. Failure to provide that information may result in your Post losing its group exemption and require that you file for a separate exemption

Return of Organization Exempt From Income Tax (Form 990)

Organizations exempt from income tax under Section 501(c) of the Internal Revenue Code are generally required to file Form 990 by the 15th day of the fifth month following the close of their accounting fiscal year. If the organization's annual gross receipts are normally more than \$50,000, the organization must file Form 990 or 990-EZ. Small tax-exempt organizations whose annual gross receipts are normally \$50,000 or less are required to electronically submit Form 990-N, also known as the e-Postcard. There is no penalty assessment for late filling the e-Postcard, but an organization that fails to file required information returns for three consecutive years will automatically lose its tax-exempt status. The revocation of the organization's tax exempt status will not take place until the filing due date of the third year. In the event that an organization loses its tax exemption for failure to file for three consecutive years, the organization can no longer be covered under a group exemption, and must individually file Form 1024 and reapply for tax exemption.

Gross receipts are considered to be normally less than \$50,000 if the organization:

- a) Has been in existence for 1 year or less and received, or donors have pledged to give, \$75,000 or less during its first taxable year;
- b) Has been in existence between 1 and 3 years and averaged \$60,000 or less in gross receipts during each of its first two tax years; and
- c) Is at least 3 years old and averaged \$50,000 or less in gross receipts for the immediately preceding 3 tax years (including the year for which the calculations are being made).

If annual gross receipts are normally more than \$50,000, the organization must file Form 990 or 990-EZ. If an organization has gross receipts less than \$200,000 and total assets less than \$500,000, it may file form 990-EZ. However, if either gross receipts or total assets are above those limits, Form 990 must be filed.

For purposes of filing requirements, gross receipts include: total contributions; gifts and grants; program service revenue; membership dues and assessments; gross investment income (including interest, dividends, gross rents, and other investment income); gross income from the sale of assets other than inventory; gross income from special fundraising events; gross sales net of return allowances; and any other revenue.

IRS regulations require that all tax-exempt organizations make both their Application for Exemption and 990's for the last three years available for public inspection at their principal office and provide copies in response to written requests, subject to the payment of reasonable fees. There are substantial penalties for violation of these regulations.

Exempt Organization Business Income Tax Return (Form 990-T)

An exempt organization may also be required to file Form 990-T if the organization's gross income from business unrelated to the organization's exempt purposes is \$1,000 or more. The obligation to file Form 990-T is in addition to the obligation to file an Informational Return (Form 990). Unrelated business income tax (**UBIT**) is defined as gross income derived by an organization from any unrelated trade or business regularly carried on by it, and not substantially related to its exempt purposes. While the IRS considers many factors in determining whether the activity is unrelated trade or business, an important factor is the degree to which the activity unfairly competes with taxable businesses. Generally, the tax applied to unrelated business income does not apply to:

- a) Dividends;
- b) Interest;
- c) Royalties;
- d) Rents (other than certain rents on property acquired with borrowed funds);
- e) Gains from sales of assets; and
- f) Member's dues

The rules applicable to unrelated business income can be complicated, depending upon the nature and extent of your Post's activities. If you are unsure about your Post's obligation to file a 990T or report certain types of income, you are encouraged to consult with a tax professional concerning these important issues. 990-T's are not subject to public disclosure.

Gambling/Bingo

The Internal Revenue Service has been very active in recent years with respect to gambling activity by tax exempt organizations. This includes such things as pull tabs, machines, raffles, etc. Such activities may be subject to Unrelated Business Income Tax (UBIT) and may also be subject to the Federal Wagering Excise Tax and Federal Occupational Tax. The rules with respect to gaming income are also complicated and you should consult IRS Publication 3079 for details. You should also consult a professional tax advisor.

The Internal Revenue Code (IRC) contains a specific provision exempting Bingo proceeds from unrelated business income tax where state and local law permits such games to be carried on by nonprofit organizations and these organizations do not compete with taxable entities. This exception applies to bingo games even though they are regularly carried on with paid workers.

Section 513 (f) of the IRC (defining unrelated trade or business) specifically provides:

(f) CERTAIN BINGO GAMES. -

- (1) In general, the term 'unrelated trade or business does not include any trade or business which consists of conducting bingo games.
- (2) Bingo Game Defined. -For purposes of paragraph (1), the term 'bingo game' means any game of bingo-
 - (A) of a type in which usually -
 - (i) the wagers are placed,
 - (ii) the winners are determined, and
 - (iii) the distribution of prizes or other property entry is made in the presence of all persons placing wagers in such game,
 - (B) the conducting of which is not an activity ordinarily carried out on a commercial basis, and
 - (C) the conducting of which does not violate any state or local law.

The Internal Revenue Service has taken the position that the Bingo exemption applies only to regular Bingo and does not apply to "instant" bingo, pull tabs or other gaming, even if it is conducted during a Bingo session.

Department of the Treasury Bureau of Alcohol, Tobacco & Firearms Advisory

If your Post operates a canteen or otherwise sells alcoholic beverages on a regular basis, the Post may be required to pay a federal Special Occupational Tax of \$250 and obtain a Special Tax Stamp on or before July 1. Failure to pay the tax could result in a substantial fine. The law requires every retail dealer in liquors, other than a limited retail dealer, to file a special tax return (ATF Form 5630.5) and pay the special tax to the Bureau of Alcohol, Tobacco and Firearms. The term "limited retail dealer" includes a veterans organization making sales of distilled spirits, wine or beer on the occasion of any kind of entertainment, dance, picnic, bazaar or festival held by it, if the organization is not otherwise engaged in business as a dealer. The ATF generally takes the position that a "limited retail dealer" is one that occasionally serves alcoholic beverages in connection with an event but that a regularly conducted clubroom would not qualify. Title 27 CFR, part 194 contains the complete regulations concerning this tax. ATF has published a booklet, ATF P 5170.2, which addresses this issue. The booklet can be obtained from the District Director (Regulatory Enforcement), Bureau of Alcohol, Tobacco and Firearms for your region.

Warnings for VFW Posts

- a) Don't assume your Post is exempt. Check with your Department to see if they have your Post under a group exemption. If not, obtain your own exemption.
- b) Know which section of the Internal Revenue Code your Post is exempt under and know what the requirements are to maintain the exemption.
- c) Remember that Auxiliaries are separate organizations. They may not be exempt under the Post exemption. If a Post has "social members," the Post is not in compliance with the Bylaws and the Post may not be in compliance with the requirements for exemption under 501(c)(19). Member documentation (such as member applications) should be maintained and up-to-date.
- d) Non reporting and non-payment of payroll taxes for Post employees not only puts your Post at risk with the IRS, but also puts the individual Post officers at risk.
- e) Become acquainted with what constitutes Unrelated Business Income and ensure it is reported properly and taxes are paid if required.

Payroll Taxes

Tax exempt status does not relieve the Post of the obligation to file returns and pay federal and state payroll taxes (with- holding, FICA, FUTA, etc.). If payments are being made to individuals for services rendered to the Post or any club room or any facility operated by the Post, it is likely that returns must be made and taxes paid. Failure to do so can result in severe tax consequences to the individual, the Post and responsible Post officers.

Form 1099-Misc and Form 1099-NEC

Form 1099-Misc and Form 1099-NEC are used to report miscellaneous income for individuals and companies that have been paid \$600 or more in non-employee compensation during a calendar year. Do not send a Form 1099 to an employee. Employee compensation is reported on Form W-2. Form 1099-Misc must be submitted to the payee by January 31 of the following year, and it must be filed with the Internal Revenue Service (IRS) by February 28 if you file paper files, and by March 31 if you file electronically. Form 1099-NEC must be submitted to both the payee and the IRS by January 31 of the following year.

Form 1099-NEC was created in 2020, and is now used to report payments to independent contractors for services performed.

Form 1099-Misc is used to report other miscellaneous non-employee payments. Examples of payments that must be reported on 1099-Misc include:

- Rents
- Prizes and awards
- Payments made to an attorney, but not for the attorney's services, for example, as in a settlement agreement. (Form 1099-NEC is used to report the payment for attorney's services)

Examples of payments that typically don't require reporting on one of the 1099 forms include:

- Payments to corporations. There are exceptions for medical care, and legal and attorney fees.
- Payments for merchandise.
- Payments to government agency or tax-exempt organizations.
- Scholarships and fellowships.
- Reimbursements made to employees under an accountable plan. The requirements of an accountable plan require that the payee must:
 - o Establish the business purpose for the expenses.
 - o Substantiate or document the expense claimed within a reasonable time period.
 - o Return to the payor any amounts in excess of the substantiated expenses within a reasonable time period.

You need to be sure to obtain the Taxpayer Identification Number (TIN) from company or individual performing the service. This could be an Employee Identification Number (EIN) or a Social Security Number (SSN) depending on type of company performing the service. It is recommended that you obtain the TIN before you make any payments to the contractor. Have them fill out Form W-9 before they begin their work.

The IRS can apply significant penalties for not filing or late filing. The penalty is \$50 per form for each form that is not filed at all. If the IRS can show "intentional disregard" of the filing requirements or the accuracy of the information, the minimum penalty is \$100 per 1099-Misc form.

Change in an Entity's "Responsible Party"

In an effort to ensure that the correct person is contacted when resolving a tax matter, the IRS imposes a requirement to report a change in the identity of the "responsible party" for any entity that has an Employer Identification Number. An organization must report a change in its "responsible party" to the IRS on Form 8822-B within 60 days of the change. The IRS instructions define a "responsible party" as the person who has a level of control over, or entitlement to, the funds or assets in the entity, that as a practical manner, enable the individual, directly or indirectly to control, manage or direct the entity and the disposition of its funds and assets. You will also use Form 8822-B to notify the IRS if you change the business mailing address or physical business location. The form and instructions can be found on the IRS website at irs.gov.

IRS Publication 3386

The IRS has issued a very useful publication entitled, "Tax Guide for Veterans' Organization," Publication 3386. It is highly recommended that you obtain a copy and consult it when questions arise concerning your Posts' tax obligations. A copy can be downloaded from the IRS website at irs.gov/pub/irs-pdf/p3386.pdf

• Online Enrollment (Personal OMS): In order to enroll in the Life member Installment Plan, a member must create an ID.me account at www.vfw.org. Once the OMS account is created, the member will enroll by selecting the Upgrade to Life link in Membership Quick Links. However, the members who choose to enroll in Auto Pay must setup a Payment Profile through the "Personal Services" menu of their OMS profile (refer to page 9).

Member Service Center: Members without an OMS account may speak with an MSC Advisor to complete enrollment. Our advisors can be reached by calling Member Services at 833.VFW.VETS (833.839.8387). Once this member completes enrollment with Member Services, an Authorization Agreement for Auto Pay will be sent to them by mail.

Important Information

- Monthly cut-off is completed the last business day of each month. All in house dues renewal payments are processed. Since new, reinstated and transfer members may take up to 10 business days for processing, those not completed will be rolled into the next cut-off period. Payments received after those dates are rolled into the next month.
- Annual Dues payments are made to Posts by electronic deposit only. These are paid monthly for annual memberships.
- Life membership payments are made 3 times each membership year in September, January and July. These payments are only made to Posts by electronic deposit.
- Life and annual membership cards are mailed directly to the member. If a member's address is listed at VFW National Headquarters as undeliverable, no membership card will be printed. If a membership card is returned by the Post Office as undeliverable, the member's information will show on the online Post Query in red.

- Duplicate payments for annual dues, received from the member or the Post, will be processed and extend the membership "Paid Thru Date."
- To replace a lost or damaged annual or Life member card, you may go online to the VFW website at vfw.org or call us.
- Aluminum life member cards are available for VFW Life members only and may be purchased through the VFW Store. Personal and Post information is engraved, rather than stamped and is included in the price of the card. Caution: These cards can set off metal detection alarms. Be sure to include your name, life membership number and your VFW Post number. Life membership will be verified prior to production of this card. The cost is \$10 plus S&H. To purchase an aluminum life member card, call us at 833.VFW.VETS (833.839.8387) or order online at vfwstore.org.
- Life member installment enrollees whose account goes past 120 days without payment will be removed from the installment plan. Previous payments will be left on the members account to be applied towards future annual dues.
- A Quartermaster has both the fiduciary and ethical obligation to the Post, Department and National organization to insure every deceased member (annual and Life) is purged from the Post or department roster in a timely manner.

Note: Change of a member's address to the Post address is not accepted.

VMAIL

National Headquarters offers a method of communication called VMAIL. This service provides email capability designed "For exclusive use of the VFW." There is no cost and it is easy and safe to use.

VMAIL is an electronic email system designed specifically for the exclusive use of VFW posts, departments and National, which makes it safe from spam, viruses and the other plagues of an open system. VMAIL can revolutionize the way we communicate in our organization. To obtain your user name and password, contact the Member Service Center.

Probably not every Post has a computer with an internet connection but there is a member of every Post who does and would be willing to use that connection to share information distributed through VMAIL. Follow the simple instructions below to access VMAIL.

Access VMAIL through OMS

- Login to your online account
- Scroll down to Membership Quick Links.
- Click on Online Membership System. Your OMS profile (Welcome Screen) will appear.
- Scroll down and click the blue script next to VMAIL above username and password.
- Under this script, you will find your user name and password.

CROSS OF MALTA AND LOGO USAGE

Cross of Malta

The Veterans of Foreign Wars of the United States adopted for its official seal, the Cross of Malta, which has a heritage of honor, duty, sacrifice and courage that dates back to the 11th century.

Each design aspect of VFW's Cross of Malta symbolizes something special. The Great Seal of the U.S. contains a modified scroll from "E Pluribus Unum" (Out of many, one) to "Pro Deo Pro Patria" (For God For Country) together with the cross and radiating rays symbolize the character, vows and purposes

distinguishing VFW as an order of warriors who have traveled far from home to defend sacred principles.

Its eight points represent the beatitudes prescribed in the Sermon on the Mount: Blessed are the poor in spirit, the meek, the pure, the merciful, the peacemakers; blessed are they who mourn, seek righteousness and are persecuted for righteousness' sake.

VFW added the sun's rays between the eight points and the cross. These emphasize the vigor and warmth with which the present-day brotherhood is pledged to defend the nation and to extend its mercy. Superimposed over the cross is the American eagle—the sacred symbol of a proud nation and people. While the Maltese Cross has religious origins and was used by the crusading Knights of St. John as a battle standard centuries ago, it is equally relevant today as a symbol of all those battling for noble ideals.

Usage of the VFW Cross of Malta is for special and distinguished situations, and for official items to include:

- VFW uniform cap and pins
- Flags
- Awards
- Official executive correspondence
- Select signage

VETERANS OF FOREIGN WARS.

The official logo of the Veterans of Foreign Wars of the United States was approved by the National Council of Administration in August of 2018 and publicly unveiled November 6, 2018. The logo includes an artistic representation of service stripes, easily recognizable insignia indicative of military service. Worn on most service uniforms, they denote length of service. As such, the first and leaner of the two service stripes represents our steadfast entry into our second century of service to America's veterans, service members and their families. The second, broader stripe represents our first storied century of service, spanning back to 1899.

The bold letters and sharp angles of this text represent the strength and stability of our organization, and the clarity with which we work to fulfill our mission.

The use of vibrant red represents the danger our members have faced, the bloodshed they experienced and the energy with which our organization operates. The gallant gold represents our members' achievements, acts of valor and the unique VFW eligibility status they've earned. Further, it epitomizes our gold standard of service.

The custom upper case letters were especially designed with an extended width to symbolize an organization that is well established. Combined with a tight letter spacing, these letters visually build a solid and confident block that reflects the unified culture of our organization. In addition to the direct metaphor of the stripes, the visual progression leading to the build of the letter "V" represents our sustained and forward movement into achieving the VFW's mission. In order to bring the acronym and title together, the gold stripes and the "V" from "VETERANS" have been carefully drawn to align on the same axis, emphasizing the element of continuity.

Trademark Protection

The Cross of Malta trademark was issued June 9, 1931, and the Veterans of Foreign Wars of the United States has applied to register the new official logo. Pursuant U.S.C. Title 36, Chapter 7A, Sections 111-120, the Veterans of Foreign Wars of the United States has the exclusive right to the use of its name and the sole exclusive right to the use of the emblem and badges adopted by the corporation. Additionally, the Veterans of Foreign Wars of the United States has registered, or applied to register, the precise logos appearing on VFW merchandise with the United States Patent and Trademark Office. Finally, it is a federal offense to use the name or emblems of a federally chartered veterans organization. See Federal Criminal Code, U.S.C.A., Title 18, Section 705.

The 115th National Convention approved a change to the National Bylaws clarifying the approval necessary for the use of the name "Veterans of Foreign Wars of the United States," and any associated logos or emblems. While the VFW's name, emblem and other marks continue to be protected by law, the Bylaws (Sec. 801, 803, 804, and 805) now specifically require written consent by the VFW's Quartermaster General for the manufacture and use of those marks.

Departments and Posts are authorized to use the VFW name, logo, or emblem for printed or digital use for VFW activities, such as the creation of brochures for membership drives, Post events and other community outreach efforts, and do not need to submit a request form. Current logos for non-commercial use may be obtained from the VFW Communications Department by emailing Communications@vfw.org.

The VFW Store and its licensed vendors are the only authorized sources to use the VFW name, logo, and Cross of Malta on apparel, caps, and other merchandise. The first line of contact for merchandise is the VFW Store. The VFW Store can assist with certain custom items even though they are not in the catalog. Visit the VFW Store online at vfwstore.org or call 1.833.VFW.VETS (1.833.839.8387).

If the requesting items cannot be procured by the VFW Store or its licensed vendors, and a third party vendor is desired, complete the attached form in its entirety and submit to the Quartermaster General's Office (qmgeneral@vfw.org) prior to production. Please allow ample time to process your request.

The right to use the VFW marks is the "exclusive right" of the Veterans of Foreign Wars of the United States and is not transferable. This means that any authorizations to use the VFW marks can only be granted by written approval by VFW's Quartermaster General. For instance, if a VFW Post wants to use the VFW name on a website, it may continue to do so through the use of the materials provided by the VFW communications department. If, however, a VFW Post wants to partner with a business and that business wants to use the name "VFW" on advertising, then permission to use the VFW name must come from the Quartermaster General. If the Quartermaster General has not granted written permission to use our name or marks, then it is a violation of law.
